# Malcolm Wilkerson

My name is Malcolm and I'm a genius with an IQ of 165. I'm the middle child of 5 kids.

# Jamie Wilkerson

Jamie, my younger brother, has some of our habits, like stealing and disrespecting his mother.

# Dewey Wilkerson

Dewey, my next brother, has always been the victim of our pranks. He is very musically gifted and plays his piano.

# Reese Wilkerson

Reese, one of my older brothers,  
lacks common sense. Despite  
this, his culinary skills are  
impressive.

# Francis Wilkerson

Francis, the oldest of us all, was in military school, but he ran away to later find his wife in Alaska.

Our parents Hal and Louis are very opposite; their lives are very different.

# Hal Wilkerson

Hal is an insurance salesman. He is always trying to be the best for his kids.

# Lois Wilkerson

Louis is an intelligent and decisive woman, as well as a controlling maniac and a strict mother. She is determined for her children to reach their full potential.

# Caramel

Caramel was Dewey's dog and  
the time he escaped we ate its  
food cans.

# The Wilkerson

This family embarrasses me for being dysfunctional, but I'm definitely just as problematic.

Thank you for **your** attention. Now  
tell me, how is **your** family?
